Lee Broom Fulcrum 5-Piece Chandelier

The Fulcrum 5-Piece Chandelier has 5 **Fulcrum Pendants** suspended from a matching finish ceiling rose. This light is a larger alternative to the **3-Piece Chandelier**, each individual pendant provides a soft downlight which emits an ambient illumination and can be displayed in hallways, staircases, over dining areas and above kitchen islands.

The Lee Broom Fulcrum 5 Chandelier is available in three finishes, either chrome, gold or matte black. The dimmable function will allow you to perfectly set the tone of any room and create the perfect ambience. The Fulcrum Chandelier offers a cable length of up to 300cm and lets you adjust each Fulcrum pendant to a different drop height, providing beautiful variations.
