Ceiling/Wall Light**

This flush-mounted light is stylish and sleek. Comprised of a smooth metal frame and a glowing glass disc, Over Me's rounded shade casts diffused light from all sides. Thanks to its minimalist appearance and ability to attach to a variety of surfaces, Over Me is a natural complement to contemporary interiors. The light is subtle enough to blend in with the ceiling, yet striking enough to create a focal point when installed on a wall. Made in two sizes and available in dusty blue, dark grey, white and black, Over Me is suitable for almost any room, and certified for use in wet areas. Over Me's slim profile makes it an excellent choice for areas where conventional light fixtures won't fit.
