marset

Marset Bicoca Portable Table Lamp.

Full of personality with a playful design and cheerful colour pallet, Bicoca by Christophe Mathieu is a unique companion for everyday living. Bicoca's compact size creates an intimate light, a small and personal light ideal for reading or adding a cosy glow to an area of your living space. Marset Bicoca is a chargeable lamp which can last up to 20 hours on a dimmer setting and 5 hours of full brightness. Lightweight and portable are key features of the Bicoca's design, take it with you to wherever you go and accompanying your good time.

Chargeable via micro USB cable, full charge is 10 hours. A tilting shade provides a glare-free, enjoyable light which can be adjusted to your needs. Marset Bicoca also has compatible accessories such as a magnetic base and armrest, please [contact us](#) for further details and pricing.
