Ferm Living Collect High Socket Pendant Hoop

A striking addition to the Collect Lighting series, the Ferm Living Collect High Socket Pendant Hoop offers an elegant and versatile lighting solution. With its simple profile, this pendant light adds a minimal touch to contemporary interiors, offering a refined yet functional design. The powder-coated metal socket is available in a variety of finishes, allowing you to customise the look to suit your space.

Ideal for use as a statement piece above dining areas or in entryways, the high socket version provides a more elongated silhouette that enhances the presence of the fixture. Its included 3-metre fabric-covered cord ensures flexibility in installation, while the dimming compatibility allows you to adjust the lighting to match the mood of your space.

Please note, this product is also available in a Low Socket version, a Bell Socket version and a Brass Shade version.
