Ferm Living Collect High Socket Pendant Record

With a contemporary aesthetic and a versatile design, the Ferm Living Collect High Socket Pendant Record offers an elegant yet functional lighting solution. The Record's shade is a defining feature of this pendant, with its wide, disc-like structure creating a generous and diffused light output. Whether placed above a dining table, workspace, or commercial setting, this pendant adds a touch of modern sophistication.

The high socket version of this pendant elevates the shade, making it a statement piece that works beautifully in rooms with higher ceilings. Its broad shade design enhances light distribution, creating a warm and inviting atmosphere. Complete with a fabric-covered 3-metre cord, a decorative ring, and a coordinating ceiling canopy, this pendant is a seamless addition to a variety of interior styles.

Please note, this product is also available in a Low Socket version, a Bell Socket version and a Brass Shade version.
