Clizia Table Lamp

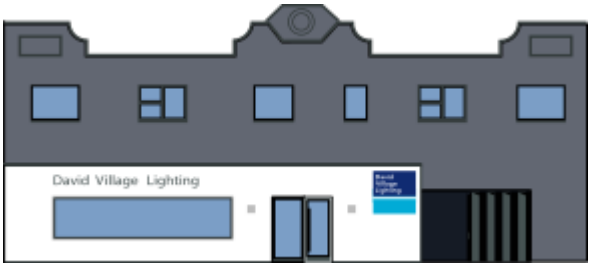

Inspired by the beauty of nature, the Slamp Clizia table lamp brings soft illumination to a multitude of settings in the form of an abundant bouquet. Designed by Adriana Rachele, the Slamp Czilia Table Lamp is guaranteed to enrich your private or commercial premise. This table lamp is hand crafted from Opalflex, a material patented by Slamp, it is a recyclable synthetic material made up of polymers.

The Czilia Table Lamp is available in more muted tones for minimalistic environments or more bold options to inject a splash of colour into your space. No matter which you choose, the Czilia is guaranteed to be an eye catcher. Clizia is a tribute to the effects of natural sunlight, with aspects of nature influenced throughout.
