Astro Altea 300 Ceiling / Wall Light

The Astro Altea 300 is a versatile bathroom fitting that combines functionality with contemporary design. With a circular 30cm glass diffuser mounted on a polished chrome base, it provides soft, even illumination that enhances modern bathroom interiors.

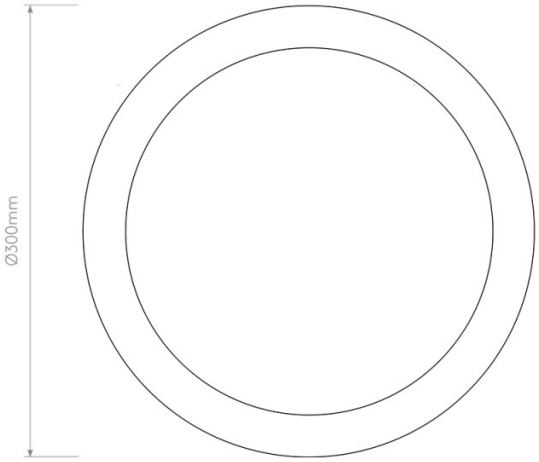

Rated IP44, the Altea 300 is suitable for zones 2 and 3, making it a practical choice for wet environments. It can be installed on ceilings as a main light source, or on walls for a subtle wash of light. Compatible with E27 lamps, the fitting is dimmable when paired with a suitable bulb, allowing flexible control of brightness levels.

Crafted from glass and mild steel, the Altea 300 offers durability alongside a clean, understated aesthetic. Its timeless design ensures it blends seamlessly into residential and hospitality projects, offering reliable and stylish bathroom lighting.
