Modoluce Orb LED Suspension

The Modoluce Orb LED Suspension celebrates the timeless elegance of the spherical form, combining retro inspiration with modern design. Its smoked PMMA globe diffuser contrasts beautifully with the painted metal structure, creating a sophisticated interplay of materials that elevates any interior setting.

This versatile suspension light works seamlessly as a single statement piece or as part of a clustered composition, offering endless possibilities for creative lighting arrangements. Its ability to cast warm, even illumination makes it ideal for dining areas, kitchens, or contemporary living spaces.

Available in a selection of finishes, including chrome, copper, and brass, the Orb Suspension allows for customisation to suit your décor. With its minimalist aesthetic and cutting-edge LED technology, this light is a perfect balance of form and function, embodying Modoluce's dedication to innovative design.

Please note, a dimmable version is available on request. Please contact us for more details and pricing.
