**KDLN Lanna Suspension**

This suspension light by KDLN is inspired by Thai lanterns as the opal glass diffuser appears suspended within the metallic frame. The poetic inspiration of floating lanterns up into the sky creates an intimate, dreamlike atmosphere wherever these lights are placed. The delicate shade appears effortless as it is suspended in the air. The light source is also gently diffused through the opal frosted glass and gives this lamp a weightless feel.

Place this lamp above a dining table, bedside or in a cosy corner of your home. The warming light this Lanna suspension emits is soft and soothing whilst also highly functional.
