PRODUCT DESCRIPTION

Designer: Karim Rashid

KDLN Toot LED Suspension Light

This sixties-inspired suspension light was designed by Karim Rashid and uses a collection of multi-coloured tubular shades that create a dramatic effect. The three-dimensional arrangement features colourful tubing placed at differing heights and lengths that together create a play on light and movement. This powerful design will make a statement in any room it is placed in. Above a dining table or in a living space, the Toot suspension light by KDLN brings a stunning designer flourish to your home or workspace.

The colourful tubular design is so unique and modern that it can hang in any space and become a talking point. Its 51cm height gives this lamp a strong silhouette that can bring decadence and stunning beauty to your living room, lobby, dining area, or office space.
