### Tom Dixon.

Tom Dixon Top Pendant Light

Delicate and elegant, the severe geometry of the acid-etched conical form of the Tom Dixon Top is reduced but instantly recognisable. A super fine filter of warm light emanates from its micro pierced exterior. When switched off it appears as solid stainless steel, when switched on it appears light, semi-transparent and ethereal. Designed to be hung in many tidy combinations, the effect of reflected polished yet illuminated stainless steel is a feat of materiality and manufacturing innovation. The Tom Dixon Top has an incorporated LED bulb.

Material: Stainless Steel

IP Code: 20

Dimming: Non-dimmable

Dimensions:

Cable Length: 250cm/ 78.7in

Width: 43.9cm/17.3in
