PRODUCT DESCRIPTION

Designer: Mariana Pellegrino Soto

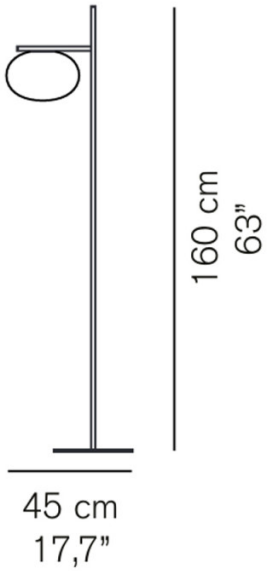

Oluce Alba Floor Lamp

With its sleek, vertical design, the Oluce Alba Floor Lamp exemplifies Mariana Pellegrino Soto's talent for merging natural inspiration with modern aesthetics. A single opaline blown-glass shade, reminiscent of a water droplet, is perched on an anodic bronze stem rising from an anthracite base. The lamp diffuses light gently, creating an intimate and relaxing ambience ideal for living rooms, bedrooms, or reception areas.

At 161cm tall, the Alba Floor Lamp adds elegance to any setting without overwhelming the space. Its timeless design works equally well in contemporary and traditional interiors, and it pairs seamlessly with other pieces in the Alba collection, such as the Alba Double Floor Lamp, for a layered lighting effect.
