Oluce Alba Double Floor Lamp

The Oluce Alba Double Floor Lamp is a sculptural masterpiece by Mariana Pellegrino Soto, inspired by the delicate balance of water droplets. Two opaline blown-glass shades rest at staggered heights on either side of a rectangular anodic bronze stem, creating a dynamic yet harmonious silhouette. Emitting a warm, diffused light, this floor lamp enhances any space with a sense of refinement and understated luxury.

Standing at 127cm, the Alba Double Floor Lamp is perfect for illuminating lounges, dining areas, or stylish office spaces. Its striking design makes it an elegant statement piece, whether used alone or in combination with other items from the Alba collection to achieve a cohesive lighting scheme.
