Oluce Recuerdo LED Table Lamp

Oluce Recuerdo LED Table Lamp was designed by Mariana Pellegrino Soto in 2017. Recuerdo is a table lamp with a stunning crystal matelassé effect that creates beautiful light plays and reflection on walls and surrounding surfaces when illuminated. The elegant design has been carefully etched into the mouth-blown glass globe and then delicately rested upon an aluminium base, creating a classic visual feature.

Recuerdo LED Table Lamp is a stunning design which can be displayed in both a residential and commercial setting. Recuerdo Table Lamp is also available in a pendant version: [Oluce Recuerdo LED Pendant](#). Together the pair create a striking understated design that is a testament to its remarkable craftsmanship by the experts.
