### PRODUCT DESCRIPTION

**Available February 2018**

Louis Poulsen Cirque Suspension Large 380mmØ - Grey.

Cirque provides beautiful, soft and atmospheric lighting, its unique form and matt white interior ensuring direct, downward light distribution. Von Zweigbergk also points to a special reflective effect: "When you hang the pendant over a surface, the light reflects back from that surface both into the surroundings and onto the lamp itself, resulting in yet another colour combination on the lamp's contours." This interplay of light, paired with the sense that the pendant could be spinning mid-air, allude to von Zweigbergk's original theme park inspiration.

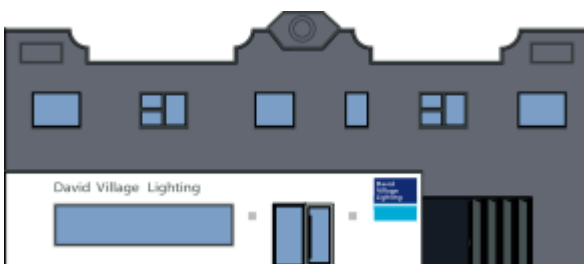

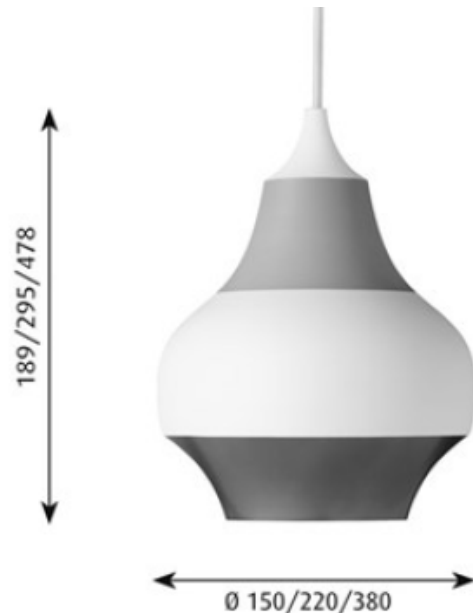

Canopy Length: 3m

Lamp included.
