Kartell Lantern Portable Lamp

The Kartell Lantern Portable Lamp was designed by Fabio Novembre and is a striking, colourful lighting solution that can be easily moved from room to room. The inner light source of the Lantern is projected through the entire structure, while the pleated detailing produces intricate lighting effects onto the surrounding area.

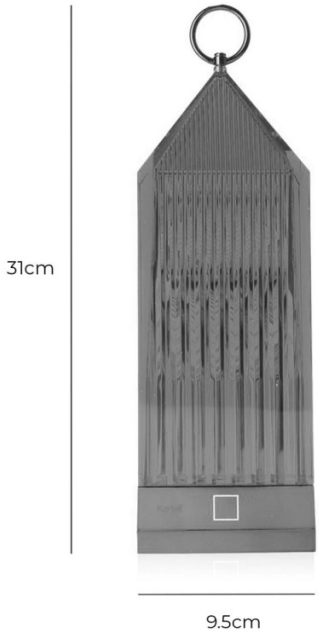

Choose between five PMMA finishes: Amber, Crystal, Smoke, Pink or Red. All of which add a unique aesthetic to your space. Thanks to the IP54 rating, the Kartell Lantern Portable Lamp can also be used in bathrooms and outdoor settings to create cosy pockets of light on the go.
