PRODUCT DESCRIPTION

Original BTC Brompton Pendant Light

The Brompton pendant light by Original BTC perfectly combines simplicity with elegance. The anthracite glass shade is hand blown in Original BTC's factory in Stoke-On-Trent and has a cylindrical form in all three sizes. Original BTC uses traditional production methods to create their products in only a handful of ceramic factories which now exist in England.

The Brompton pendant light is available in three sizes (1 - small, 2 - medium, 3 - large) and has a weathered brass ceiling rose and attractive chrome detailing on the cable grip.
