PRODUCT DESCRIPTION

Designer: Space Copenhagen

Gubi Gravity Table Lamp

The Gravity Table Lamp, designed by Space Copenhagen, is an elegant addition to the Gravity collection. Balancing the sturdy cylindrical base with the soft radiance of its shade, this table lamp is the epitome of sculptural lighting. Available in two sizes, the Gravity Table Lamp offers options for both compact and expansive spaces. The smaller size is ideal for bedside tables or desks, while the larger size makes a statement in living rooms, reception areas, or larger workspaces. Crafted with a choice of marble or steel bases and paired with canvas or white shades, this lamp adapts to diverse interior palettes, from modern industrial to classic sophistication.

The Gravity Table Lamp is dimmable, providing ambient light that can be tailored to create the desired mood, whether soft and relaxing or bright and focused. Its understated yet impactful design ensures it remains a versatile piece for residential and commercial applications.
