PRODUCT DESCRIPTION

Designer: Space Copenhagen

Gubi Gravity Floor Lamp

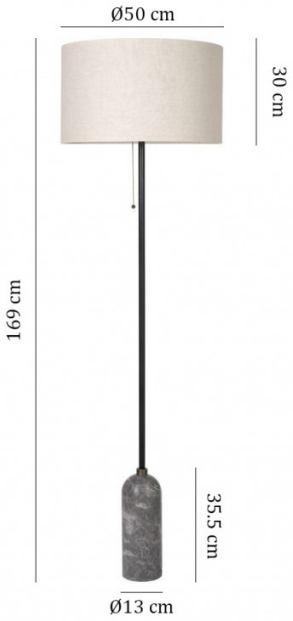

Designed by Space Copenhagen, the Gravity Floor Lamp pairs a solid, weighty base with a much lighter shade, giving the design its distinctive sense of balance. The cylindrical base is available in marble or steel, while the canvas or white textile shade softens the overall look and produces a warm, ambient light.

Well suited to living rooms, lounges and office spaces, the Gravity Floor Lamp works particularly well where a softer source of light is needed. When used with a dimmable bulb, the brightness can be adjusted to suit anything from evening lighting to a more focused working environment.

For 2026, the collection has been expanded with two new marble finishes, Emerald Marble and Maroon Marble. These join the existing options, including Grey Marble and Black Steel, adding richer colour choices while keeping the same simple, sculptural form. The range of finishes makes Gravity easy to place in both contemporary and more characterful interiors.

PRODUCT SPECIFICATION

Light Source:	3 x Max 57W E27 (Excluded)
IP Code:	20
Dimming:	In-line dimmer included on cable.
Dimensions:	Shade: Ø50cm Shade Height: 30cm Height: 169cm Base Height: 35.5cm Base: Ø13cm Cable Length: 200cm
