Leds C4 Invisible LED Pendant

The Leds C4 Invisible Pendant is a stripped-back downlighting solution, fitted with an integrated LED light source and a seamless diffuser to ensure a glare-free illumination. This luminaire conveys a sense of almost weightlessness and adds a modern touch to your interior.

Designed by Francesc Vilaró, Invisible boasts a unique and minimalistic silhouette, while its sleek black finish allows it to adapt to a wide range of contemporary interiors. A stunning way to brighten up kitchen islands and countertops, the Leds C4 Invisible LED Pendant combines style and functionality. This pendant can be installed individually or in multiples and linear rows for a more striking composition.
