Grok Talk LED Suspension

LA5331SOURCE: <https://www.davidvillagelighting.co.uk/product/grok-talk-led-suspension/18822>

PRODUCT DESCRIPTION

Grok Talk Suspension

The Talk suspension by Grok is likened to the light of stars as the daylight fades. Comprised of two separate light sources which are inclined and equipped with a glass diffuser, the Talk suspension gives soft yet direct light emission. The metal framed lights enhance modern, urban spaces.

Grok's Talk suspension can be used singularly or arranged in multiple compositions which can add dimension and texture to spaces. Talk's contemporary style and geometric lines add refined beauty, unassuming and understated yet a design masterpiece in themselves.

Available in matt white and grey anthracite.

Material - Aluminium / Diffuser material glass
