PRODUCT DESCRIPTION

Designer: Terence Woodgate

Case Core Pendant

The Core Pendant by Case is created from solid fine-polished Italian marble. Designer Terence Woodgate, who is known for his stripped-down, elegant approach to design, created these pendants from white Carrara or black Marquina Nero marble. All fixings are concealed within the shade to maintain the striking yet sleek profile of the light. As these pendants are made from natural marble, the veining and colour of each pendant will vary, making each piece unique.

The Case Core Pendant provides direct downwards light, making it perfect for hanging above surfaces throughout the home. When lit, the lower section of the marble shade is illuminated by a subtle diffused glow.
