PRODUCT DESCRIPTION

Designer: Neri&Hu

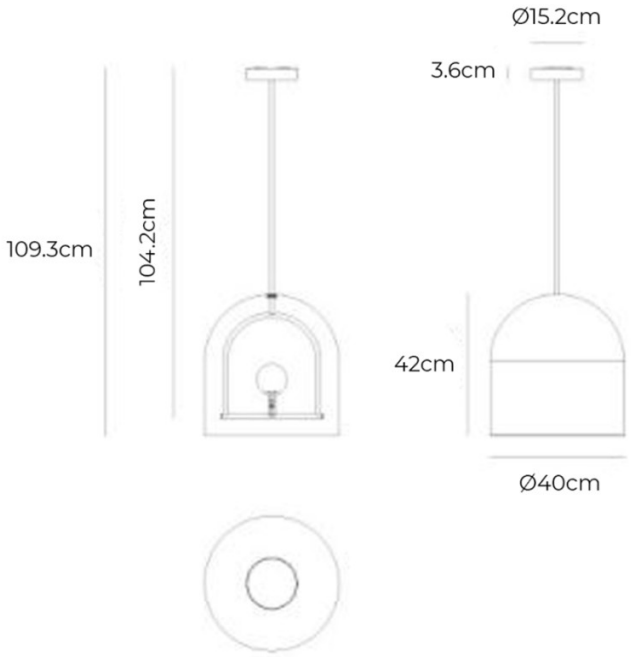

Artemide Yanzi LED Suspension

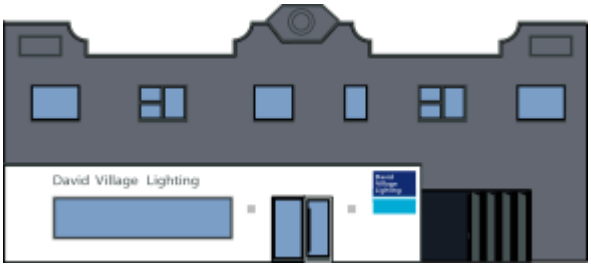

The Yanzi Suspension by Artemide has a minimal, streamlined design with balanced features. The design belongs to Neri&Hu, who believe that research can be used as a tool in design. The Yanzi Collection was born when the designers noticed swallows resting on a nearby scaffolding, providing a spark of inspiration. Yanzi depicts the avian figure contained inside a glass 'cage', with the 'swallow' being crafted from brushed brass, with an elegant glass globe head which also acts as a diffuser.

A contemporary and lightweight design that can animate any interior with a touch of poetry, the Artemide Yanzi Suspension is guaranteed to catch the eye. The collection also includes a **Floor Lamp** and a **Table Lamp**, as well as a **suspension rail**. Each luminaire brings a mixture of tradition and innovation, characteristic of Neri&Hu, into any interior space.

PRODUCT SPECIFICATION
