PRODUCT DESCRIPTION

Designer: Signe Hytte

&Tradition Journey SHY1 LED Table/Wall Lamp

Created by Danish designer Sygne Hytte, the Journey SHY1 Table/Wall Lamp is a masterful merging of geometric shapes. A spherical glass shade appears to balance delicately on a rectangular base, which is crafted from steel and available in Black, Silk Grey, and Steel Blue. Hytte embraces the beauty in simplicity with Journey, ensuring the lamp is free of any unnecessary elements for a sleek and sophisticated design. SHY1 serves either as a table lamp or a wall lamp, offering flexibility in placement and use.

When switched on, the Journey SHY1 Table/Wall Lamp echoes the appearance of a full moon on the horizon. The opal shade diffuses light to a soft glow, perfect for winding down in the evening. A brass dimmer on the base lets users adjust the ambience with the lamp's dim-to-warm technology, providing appropriate lighting for any setting. Display in a bedroom, living area, or study for a visually striking yet functional addition to the space.

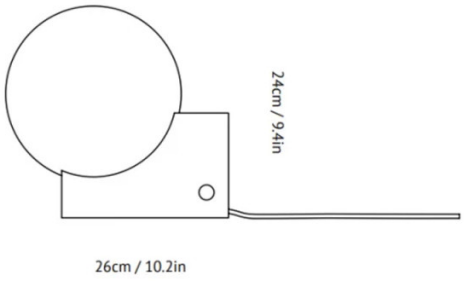

PRODUCT SPECIFICATION

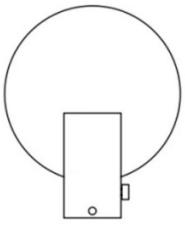

Light Source: 4.8W, 2200-2800K, 480 Lumens

IP Code: 20

Dimming: Integrated dimmer on the product.

Dimensions: Shade: Ø18cm
