PRODUCT DESCRIPTION

Original BTC Sopra Recessed Downlight

The Sopra range by Original BTC elevates the humble recessed downlight into a unique decorative feature in three styles. Particularly effective for small interiors with low ceilings, the decorative Sopra collection provides a great alternative to larger ceiling lights and pendants when head height is at a premium.

Original BTC's Sopra recessed downlight is available in three textured finishes - quilted, ridged and plain - all enhancing the translucent qualities of the bone china providing a soft and warm glow, perfect for lighting hallways and cosy living areas.
