### PRODUCT DESCRIPTION

#### Original BTC May Pendant Light

Original BTC have used their signature material of bone china to create the simple yet effective May pendant light. The semi-opaque bone china allows a small amount of light to penetrate the shade, providing a warm and ambient glow whilst the open base of the pendant has a directional light which boldly illuminates the space below – making this pendant perfect for dining areas, breakfast bars and even bedside lights.

The May pendant has striking hand-painted detail in blue and orange that extends to a complementary ceiling rose, adding a fresh and contemporary feel to this classically styled pendant.

Available in two colour ways and two sizes, all suspended by a subtle cotton braided cable, the simple design and clean form of our May Pendant makes for a highly adaptable light, suitable for a wide range of interiors.
