Catellani & Smith

Catellani & Smith Wa Wa Table Lamp.

"I was at the Frankfurt Trade Fair, presenting my new collection developed using LED circuits. I saw a Japanese lady pointing at my lamps and repeatedly saying "wa wa". I went towards her and when I curiously asked her the reason, she told me "wa" meant "perfect". I was touched and thanked her; I looked at the lamp, which was still nameless, and decided to call it "Wa Wa".

Materials: metal base and structure, copper sticks, removable glass lens.

IP Code: 20

Dimming: Inline dimmer

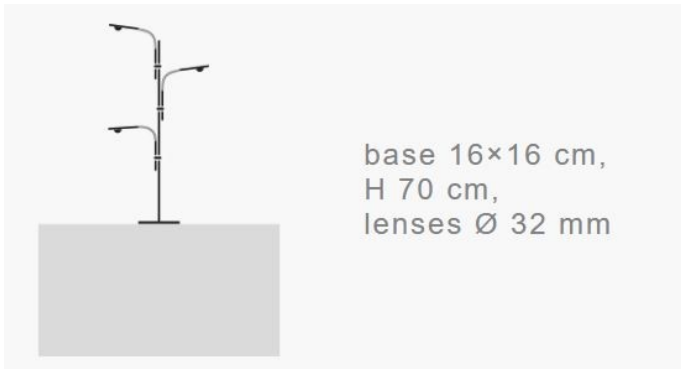

Dimensions:

Base 16×16 cm,

H 70 cm,
