Vibia Palma 3702 LED Wall Light

The Vibia Palma 3702 LED Wall Light brings the outdoors inside and aims to create a sense of calmness in your space. The spherical glass diffuser is held within an aluminium structure, appearing to float in mid-air, this diffuser results in a projection of warm glare-free light that creates a peaceful ambience in your space. It can also be controlled via push to make/1-10v dimming to further personalise the environment.

Designed by Antoni Arola, the Palma 3702 Wall Light creates a luminous garden upon your wall and is a perfect finishing touch for residential and commercial spaces. Display the Palma Wall Light in kitchens, hallways, bedrooms or living spaces. Similarly, it also adds an organic touch to shops, spas, gyms, restaurants and bars. A beautiful way to bring nature into contemporary interiors.

This Vibia Wall Light can also be provided without the plant pot addition.
