Original BTC Oxford Double Pendant Light

The new range of [Oxford lights](#) from Original BTC explore further creative avenues and offer twice the visual appeal with their twin bone china shades. Both shades of the Oxford Double pendant have unique textural qualities, which are enhanced by the gentle glow of the light, and elevated by an elegant satin brass stem and detailing.

Sleek and architectural, the Oxford Double pendant light's semi opaque shade results in a contemporary, soft, and subtle glow of warm light, perfect for lighting living areas, dining rooms and hallways which require cosy yet luxurious lighting.
