Panzeri App LED Wall Light

The Panzeri App LED Wall Light is a sleek and modern wall fixture crafted from extruded aluminium. Designed for indoor use, this wall lamp features an integrated LED light source available in two size options: 12cm and 24cm. With a diffused indirect light emission, it provides a warm 3000K glow that enhances both residential and corridor interiors.

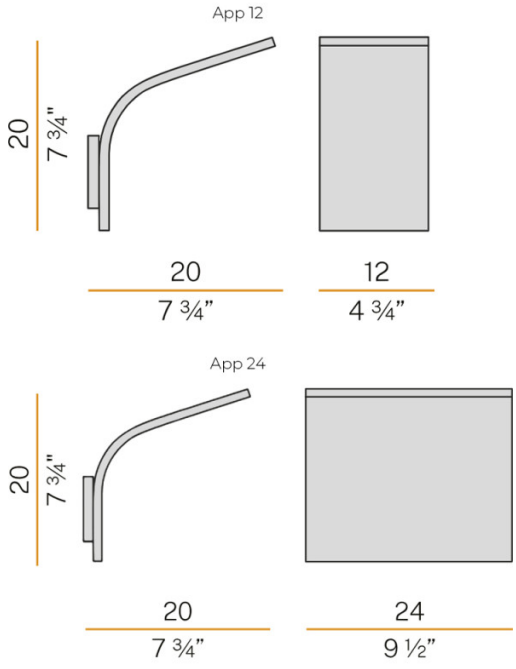

The App Wall Light ensures durability and consistent performance. The lamp is available in three stunning finishes: white, matte brass, and brushed titanium, each adding a unique aesthetic to your space. The fixture is mounted with a concealed lateral grub screw, ensuring a seamless and minimalist look.

Whether used in pairs along a hallway or as a standalone accent, the Panzeri App Wall Light combines style and practicality in equal measure.

Please note, while this product is non dimmable as default it can be dimmed using a compatible dimmer (sold separately), please contact us for further information.
