Panzeri Jackie LED Desk Lamp

The Panzeri Jackie LED Desk Lamp is a versatile lighting solution designed for modern workspaces, bedrooms, and studios. Crafted from extruded aluminium and featuring a die-cast aluminium head, its sleek structure is both functional and stylish. The Jackie lamp offers five-step dimming control for adjustable brightness levels, ensuring optimal lighting for every task.

The lamp's swivelling head rotates on two axes with a double joint for precise light positioning, while its miniaturised junction adds a clean, minimalist touch. Available in white, black, matt brass, or titanium, the Jackie desk lamp suits a wide range of interiors as well as a choice of three different mounting options.

Whether used in offices, home studios, or reading nooks, the Panzeri Jackie LED Desk Lamp provides elegant illumination and exceptional flexibility.
