PRODUCT DESCRIPTION

Designer: Britt Kornum

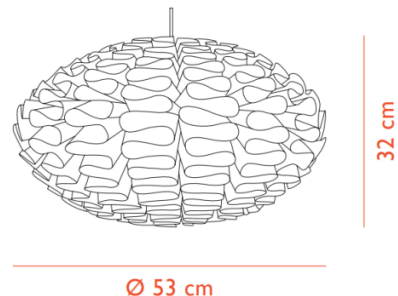

Normann Copenhagen Norm 03 Suspension

Normann Copenhagen Norm 03 Suspension was designed by Britt Kornum for the [Norm Collection](#). Altogether, the suspension is made up of 39 foil pieces, which are incredibly easy to position and assemble without any need for glue or any tools. Creating a snake pattern, two long foil strips create this mesmerising effect on Norm 03, bringing a sense of chaos in a structured manner. Norm 03 has a vintage feel and emits an even soft glow, reminiscent of the 60s era. The soft nature of this shade is perfect for creating a calming effect and reducing harshness.

Norm 03 suspension is also available in three other versions: Norm 06, Norm 12 and Norm 69 which were designed by Simon Karkov. A sculptural light with stunning character, the Norm 06 can be hung in both commercial and residential settings. Buyers can purchase the lampshade individually or as part of a complete lamp set, including a canopy and 2.5m cable.

Please note this is a self-assembly product. A manual is included with the light.
