Panzeri To-Be LED Pendant

The Panzeri To-Be Pendant is a refined and versatile suspension light, perfect for both decorative and functional applications. Featuring a sleek, minimalist design, this pendant is available in three sizes, 22mm, 32mm, and 55mm, allowing you to tailor it to your specific interior needs.

Crafted from extruded aluminium and available in five premium finishes, including the luxurious Gold Leaf option (by request), the To-Be Pendant is an elegant addition to any modern space. Its ultra-thin transparent power cable enhances its floating aesthetic, making it ideal for cascading arrangements or grouped compositions.

The pendant is equipped with integrated LED technology, offering warm white 2700K light with high colour rendering. The 55mm variant further adds versatility with beam angle options of 20°, 35°, and 55°, making it suitable for both ambient and task lighting.

Whether installed as a standalone piece or as part of a larger composition, the To-Be Pendant is a sophisticated lighting solution for living areas, dining rooms, restaurants, or reception spaces.

Please note: Gold Leaf finish available upon request, please contact us for details.
