PRODUCT DESCRIPTION

Designer: Panzeri Design Team

Panzeri Ralph LED Pendant Light

The Panzeri Ralph Pendant Light combines natural, bohemian charm with practical functionality, making it ideal for both indoor and outdoor settings. Each pendant features a hand-woven synthetic rattan shade that creates a warm, inviting aesthetic, while the transparent polycarbonate diffuser protects the bulb and ensures a soft, diffused glow.

Designed for versatility, the Ralph Pendant is available in three sizes. The 35cm pendant is perfect for intimate spaces like dining areas or patios, the 50cm pendant offers a mid-sized solution for larger dining tables or outdoor terraces whereas The 90cm pendant makes a bold statement in grand spaces such as pergolas, hotel lobbies, or large living areas.

Each pendant includes a 4.5m orange polyurethane cable for outdoor installations, along with a ceiling canopy for indoor use. The IP65 rating ensures resistance to dust and water, making the Ralph Pendant a durable choice for any environment.

Whether installed as a single statement piece or in clusters, the Panzeri Ralph Pendant adds warmth and charm to any space.
