Dancing Pendant by Menu

Design is an art of storytelling according to Copenhagen duo Iskos-Berlin, and their Dancing Pendant puts that principle into practice. Exquisite yet with a playful twist, the lamp has the look of a dancer's pleated skirt caught flaring-up mid-twirl. A partnership between two of Scandinavia's leading young designers, Boris Berlin and Aleksej Iskos, the studio is committed to sustainability.

Dancing Pendant is made from felt, a 100% recycled material produced mainly from used water bottles.
