CHAINS is a versatile lighting system infused with nature; its shape is reminiscent of a ribbed shell. No matter the position of the electrical outlet, CHAINS can freely occupy any space and in doing so, adopts the appearance of a cascade of lights.

Whether in groups of singles or triples, the CHAINS can be installed in long vertical arrangement, short groups at the same level, or randomly spread across the room using extra fixing points.

Lamps excluded - Max 9W E14
