Stone by Menu

Though perfectly suited as a lamp, Stone Lamp provides more than enlightenment to your home. Stone Lamp can be placed anywhere and exudes a delightful ambience in the room. The intention of Norm Architects was to create a soft cosy light with the same effect as candles, which could be placed in any corner of the home to create a nice atmosphere. Stone Lamp is available in two variants, a grey smoke-tinted glass shade on a stoneware base and an opal glass top on a raw sand coloured ceramic base.
