PRODUCT DESCRIPTION

Designer: Tim Rundle

Audo Copenhagen TR Bulb **Pendant Light**

The TR Bulb pendant, designed by Tim Rundle, is a chic and contemporary light fixture that produces an effective glow. Featuring either a brushed brass or black fitting, this pendant can be used in many settings thanks to its warm and soft illumination.

The simplistic and modern design makes the TR Bulb pendant light perfect to use as a main light in smaller spaces or in multiple for bigger spaces. You can hang this pendant lamp over tables, cluster in a reception room or simply hang in the middle of a lounge. Match with other lights from the Audo Copenhagen TR Bulb collection to create a consistent design scheme throughout your interior.

The bulb is integrated within the shade itself and; therefore, the shade and bulb need to be replaced as a whole. Please contact us for more information and pricing.
