PRODUCT DESCRIPTION

Designer: Adriano Rachele

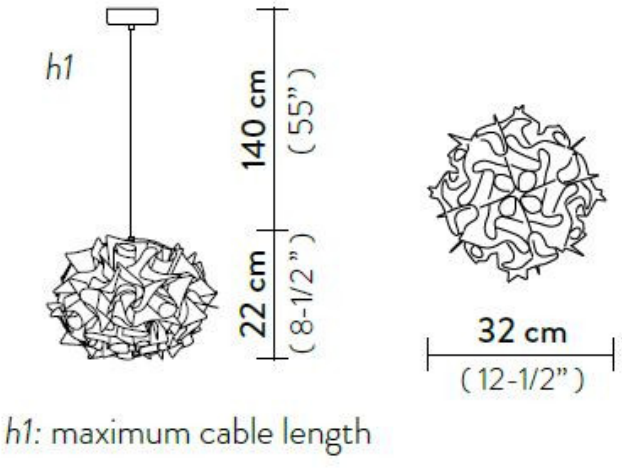

Slamp Veli Mini Single Suspension

Designed by Adriano Rachele and inspired by fashion, the Veli Single Suspension is a perfect example of modern glamour. The diffuser is hand crafted from Opalflex®, which is a patented material from Slamp that utilises polymers to create a recyclable and synthetic material. Opalflex® is flexible, unbreakable and strongly recommended by designers and because this luminaire is hand made, each light is unique. Not only is the diffuser a beautiful eye catcher but the use of a red suspension wire adds a burst of colour to the design.

Every diffusor is fitted with a magnetic hanging device for fast and easy maintenance. The Veli Single Suspension lamp provides you with a warm ambient light that is functional but avoids any harshness. This is a great suspension for above your kitchen counters, your dining table or in your hallway. Similarly it can be a great eye catcher for in restaurants, bars, cafes, shopping centres and galleries.
