PRODUCT DESCRIPTION

Designer: Lorenza Bozzoli

Slamp La Lollo Suspension

La Lollo is a tribute to the roaring 50s, a beautifully crafted, cylindrical shaped Lamp which selects the best modern technology and materials in its production. The patented techno-polymer cylinders are arranged around the light source - these cylinders come in various metal coatings and geometric patterns. Each finish is made of a different material: Lentiflex®, Opalflex®, Goldflex®, Pewterflex® and Cristalflex® from the Slamp brand.

When switched on, the light is reflected in an inimitable way in all directions, creating a unique lighting effect and harmonious room lighting. Whether suspended individually or in a collection of multiple chandeliers, La Lollo is perfect for both domestic and public spaces alike, as well as eye-catching installations.

To offer greater brightness, the bands of Lentiflex® cylinders which were on the original La Lollo Suspension have now been removed.

PRODUCT SPECIFICATION

Light Source: 80W, 2700K, 9000 Lumens

IP Code: 20

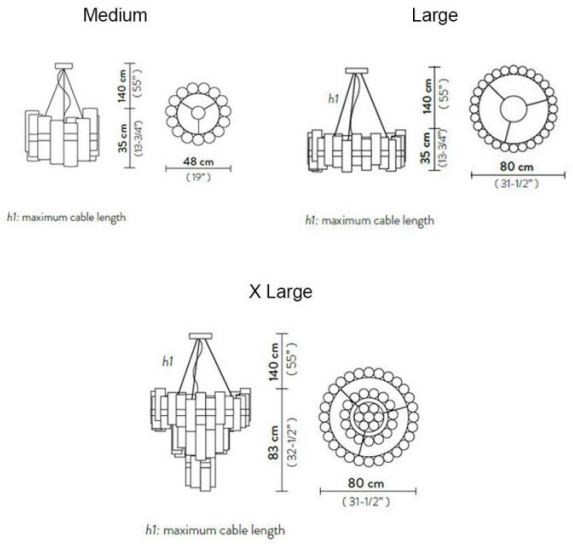

Dimming: Dimmable via Triac dimming.

Dimensions: **Medium**:
Ø48cm
Height: 35cm

Large:
Ø80cm
Height: 35cm

X Large:
Ø80cm
Height: 83cm

Maximum Drop: 140cm
