PRODUCT DESCRIPTION

Designer: Edward van Vliet

Chalice by Moooi

The Chalice lamp was designed by Edward van Vliet in 2016 for Moooi. The lamp embodies the important grace of glass, the tulip shaped glass flowers are the highlight of the suspension. The copper plated 'flowers' emit a diffused light and reflect the floral pattern, found in each Chalice suspension, around the room. The choice of material, metal and glass, compliment and flatter each other.

The suspension is available in two sizes, Chalice 24 and Chalice 48 and in two finish options, chrome or metallic grey. The lamps suit any interior, whether residential or for your business. A stunning suspension, that works as a stand alone or as part of a light cluster. The lights are dimmable, via Triac dimming, allowing you to adjust the light intensity and create a unique atmosphere.
