Light Attack Rap-D LED Directional Downlight

SOURCE: https://www.davidvillagelighting.co.uk/product/Light-Attack-Rap-D-LED-Directional-Downlight/19258

PRODUCT DESCRIPTION

Light Attack Rap-D LED Directional Downlight

This downlight provides outstanding performance for both ambient lighting and a wall washing effect as it is fitted with an asymmetric optical compartment. The thin trim blends into the ceiling, and the light diffusing internal shade is inclined to create a medium flood asymmetric emission.

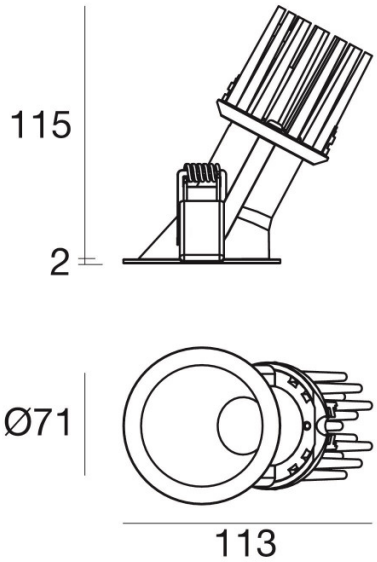

As the Rap-D Downlight boasts an IP44 rating, it is suitable for use in bathroom zones 2 & 3.

Also available with different beam angles.

Please Note: The Light Attack Rap-D Directional Downlight is supplied with a remote dedicated driver. Please contact us for further information.
