PRODUCT DESCRIPTION

Designer: Lucie Koldova

Brokis Big One Pendant

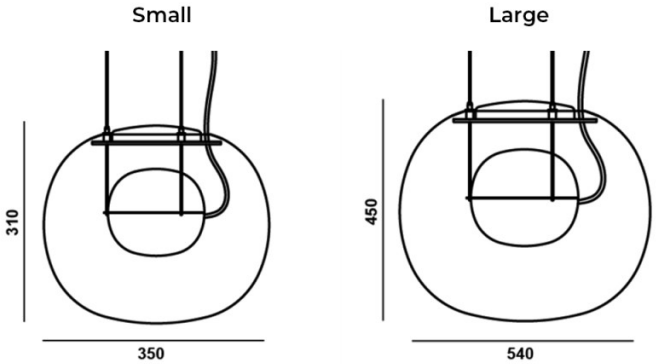

The Brokis Big One LED Pendant, designed by Lucie Koldová, is a sculptural lighting fixture that balances bold form with weightless presence. At its centre is a diffused LED core, suspended like a bubble within a large outer sphere of handblown glass. The result is a modern pendant that plays with transparency, levitation, and light, making it a dramatic focal point in any interior.

Available in two statement sizes, the Big One is well-suited for residential and commercial applications alike, from double-height stairwells and lobbies to dining areas and lounges. The outer glass comes in clear, smoked, and brown finishes, while the inner diffuser is available in opal, red, pink, and matching tonal hues. The pendant is suspended via stainless steel wire with a precision-engineered canopy housing the driver and fittings. With its integrated LED and high CRI, the Big One emits a soft, ambient glow and is available in fixed or tunable white options.

Both the inner and outer glass is available in a range of finishes. This product is also available with a range of dimming capabilities including 1-10V, Dali and Casambi. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source:	**Small:** 15W, 2700K, 1882 Lumens **Large:** 20W, 2700K, 2722 Lumens
