Notte Table Lamp by Prandina

The Notte table lamp is an elegant and modern light that is made from lovely opal glass and metal structure. The lampshade beautifully diffuses the light, producing a nice, warming glow that will create a cosy atmosphere. The body of the lamp comes available in a Heritage Brass finish, which makes the table lamp more classic in look or in a Matt White finish which has a more contemporary effect.

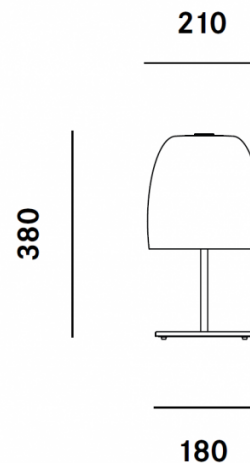

Suitable for homes and offices, the Notte table light is best suited for lounge areas, desks and reception rooms either as an ambient light or a subtle reading light. Match with other lights from the [Prandina Notte collection](#) to have a consistent lighting scheme in your space.
