Fontana Arte Equatore Table - Large.

Equatore is a contemporary reinterpretation of the classic lamp with a glass shade. While the traditional abat-jour uses the shade to contain the light source within, in this family of lamps the shade is paradoxically and suggestively empty, with the light being generated by two luminous discs placed inside a central metal band, visible on the shade, that evokes the line of the equator.

IP Code: 20

Dimming: In-line dimmer included on cable.

Colour: Black Nickel

Copper
