Tynell 9602 Floor Lamp by Gubi

The 9602 floor lamp was designed by icon Paavo Tynell in 1938 for the Hotel Aulanko in Finland and is part of his [wider collection](#) distributed by Gubi. Also known as the “Chinese Hat” the lamp is characterised by its triangular shape, airy shade and rattan-covered stem, showing Tynell’s unique use of international influences and innovation in design.

This lamp is a truly timeless piece that manages to be both elegant and rustic. Available in both a wicker willow and canvas material, this light works best in a lounging area, creating a gentle glow for the room.
