Bover Elipse Outdoor LED Suspension

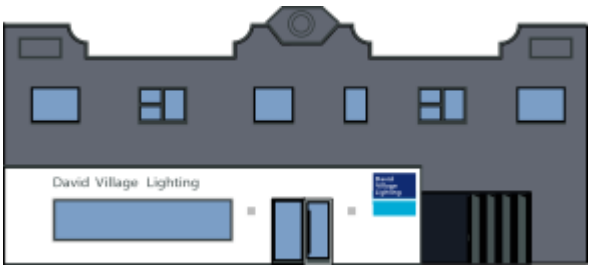

The Bover Elipse LED Outdoor Suspension is a simple, free and flexible solution for exterior spaces. Designed in 2017 by Alex Fernandez Camps and Gonzalo Mila, this luminaire is the definition of contemporary simplicity and is curated from polyethylene, a highly durable and weather resistant material. Along with the IP certification of 66, this makes the Elipse LED perfect for illuminating your outdoor areas.

The spherical diffuser of the Elipse LED Outdoor Pendant produces a warm and ambient light output that is glare free. A perfect lighting solution for summer evenings in your garden and illuminating public outdoor spaces such as parks and outdoor seating for restaurants and bars.
