PRODUCT DESCRIPTION

Designer: Lee Broom

Lee Broom Crescent Mini 5 Chandelier

A larger alternative to the **Crescent 3 Piece**, the Lee Broom Mini 5 Chandelier consists of five illuminated spheres that are sliced asymmetrically in half to reveal a crescent-shaped brushed brass fascia. The Crescent Mini 5 Chandelier boasts an art deco-style structure, with brushed brass detailing and opal acrylic diffusers.

The Crescent 5 Chandelier is a captivating portrayal of simplicity and elegance, appearing to be frozen in time and defying gravity as the top half sphere remains in place. Meanwhile, each diffuser provides warm and ambient illumination, seamlessly combining contemporary design with cosy lighting and making the luminaire perfect for your living room, dining room or kitchen. This lighting solution can easily adapt to both classic and contemporary interiors, and is height adjustable depending on the needs of your space.
