Wastberg W127 Winkel LED B2 Table Lamp

PRODUCT DESCRIPTION

Designer: Dirk Winkel

Wastberg W127 Winkel LED B2 Table Lamp

The W127 Winkel B2 Table Lamp is part of Wastberg's most award-winning task light collection. The collection was designed to prove you could manufacture sturdy lighting solutions without the use of wood or metal

As opposed to other lamps in the collection, the B2 table lamp offers a typical table base, making it easier to manoeuvre around your workspace than those that boast a clamp.

Harbouring a minimalistic but sturdy frame, the W127 Winkel B2 Table Lamp also features an integrated dimmer that is placed on the head of the lamp for easy access - and an integrated timer that turns the lamp off automatically after nine hours. This helps optimise the energy efficiency of the lamp as well as helping you to monitor your working hours.
