Foscarini Cri Cri LED Portable Lamp

The Foscarini Cri Cri LED portable lamp is a playful, whimsical light that is made for both indoor and outdoor use, designed by Studio Natural. The lamp has an integrated LED light source and battery which allows you to recharge using a USB charger to get a maximum of 10 hours of life when on the highest power. Thanks to its IP65 rating, the Cri Cri can be used in both indoor and outdoor settings and can be carried anywhere you want, whether hiking through the woods, to use in your own garden or when camping under the stars.

The Cri Cri LED rechargeable lamp has a touch dimmer so you can create the atmosphere you need whether indoors or out. The portable lamp is available in 2 colours, green or red and is a very versatile and stylish light. Both festive and practical, the Cri Cri lamp will not disappoint and can be used for many settings and functions!
